

These sheets are meant for 1) Those who want to **stop their participation in a ministry** in which they are currently involved and/or they want to **add additional ministries**, and 2) Those who are **choosing a ministry for the first time** and 3) Those who wish to **change their phone number, address or email address** in the church records. It is less confusing if each individual in a family completes their own form. Serving in the ministries for which you sign up will be for **Sept. 2017 through August 2018.**

I would like to continue in my present ministry or ministries.
